

Foam & Polystyrene Packaging

Cell – Air Foam Rolls		
Product Code	Description	Size
JF500/1.0	500mm width – 300m length	1mm thickness
JF500/1.5	500mm width – 200m length	1.5mm thickness
JF500/2.5	500mm width – 120m length	2.5mm thickness
JF500/4.0	500mm width – 75m length	4mm thickness
JF1000/1.0	1000mm width – 300m length	1mm thickness
JF1000/1.5	1000mm width – 200m length	1.5mm thickness
JF1000/2.5	1000mm width – 120m length	2.5mm thickness
JF1000/4.0	1000mm width – 75m length	4mm thickness
JF1500/1.0	1500mm width – 300m length	1mm thickness
JF1500/1.5	1500mm width – 200m length	1.5mm thickness
JF1500/2.5	1500mm width – 120m length	2.5mm thickness
JF1500/4.0	1500mm width – 75m length	4mm thickness

Other widths of Cell–Air Foam are available to order, as well as sheets cut to size or sheets perforated on a roll. Please contact us to discuss your requirements.

Foam & Polystyrene Sheeting		
Product Code	Description	Size
ETHA/12	White Polyethylene Sheet	1200mm x 2000mm x 12mm
ETHA/25	White Polyethylene Sheet	1200mm x 2000mm x 25mm
ETHA/50	White Polyethylene Sheet	1200mm x 2000mm x 50mm
POLY4848	Polystyrene Sheet	1200mm x 1200mm x 19mm

Both Polyethylene Foam and Polystyrene can be either cut to size or fabricated into end caps, corner pieces or profile cut outs. We have a wide range of foam and polystyrene grades to cover just about any application.

Loose Fill		
Product Code	Description	Size
LF15	Polystyrene Loose Fill	15 cubic feet bags
GF15	Bio-degradable Loose Fill	15 cubic feet bags
